PROFESSIONAL SUMMARY

Creative, analytical and detailed orientated aspiring front-end developer eager to develop and grow front-end web developer skills. Although new to this field, I offer 15 years of experience in a variety of fields and a multitude of transferrable skills.

I am passionate about technology, innovation and programming. I have recently finished EPICODE'S front-end bootcamp in which I developed user-friendly interfaces using HTML, JavaScript, CSS, Bootstrap, React and Tailwind.
